

This qualification reflects the role of support workers who complete specialised tasks and functions in aged services; either in residential, home or community-based environments. Workers will take responsibility for their own outputs within defined organisation guidelines and maintain quality service delivery through the development, facilitation and review of individualised service planning and delivery.

Workers may be required to demonstrate leadership and have limited responsibility for the organisation and the quantity and quality of outputs of others within limited parameters.

#### Possible Outcomes:

Suitable for a professional role of:

- Aged Care Activity Worker
- Care Service Team Leader
- Personal Care Worker

#### Course Outline:

- This qualification is AQF level 4 <https://www.aqf.edu.au/>
- 18 units are required for award of this qualification, which includes 15 Core and 3 Electives
- To achieve this qualification, the candidate must have completed at least 120 hours of work as detailed in the Assessment Requirements of the units of competency. Workplacement/Practical training and assessment may be offered in a range of approved and accredited Aged Care facilities in Melbourne.
- In this program you would learn to follow an individualised plan to provide person-centred support due to ageing or some other reason. This course includes class room based theory and practical components, as well as workplacements.
